

Chapter 9

GENERAL LEASING POLICIES

INTRODUCTION

Chapter 9 covers the lease-up process from the family's submission of a Request for Tenancy Approval to execution of the HAP contract.

In order for the Housing Authority of Myrtle Beach (MBHA) to assist a family in a particular dwelling unit, or execute a Housing Assistance Payments (HAP) contract with the owner of a dwelling unit, MBHA must determine that all the following program requirements are met:

- The unit itself must qualify as an eligible unit [24 CFR 982.305(a)]
- The unit must be inspected by MBHA and meet the Housing Quality Standards (HQS) [24 CFR 982.305(a)]
- The lease offered by the owner must be approvable and must include the required Tenancy Addendum [24 CFR 982.305(a)]
- The rent to be charged by the owner for the unit must be reasonable [24 CFR 982.305(a)]
- The owner must be an eligible owner, approvable by MBHA, with no conflicts of interest [24 CFR 982.306]
- For families initially leasing a unit only: Where the gross rent of the unit exceeds the applicable payment standard for the family, the share of rent to be paid by the family cannot exceed 40 percent of the family's monthly adjusted income [24 CFR 982.305(a)]

9-I.A. TENANT SCREENING

MBHA has no liability or responsibility to the owner or other persons for the family's behavior or suitability for tenancy [**24 CFR 982.307(a)(1)**].

MBHA may elect to screen applicants for family behavior or suitability for tenancy. See Chapter 3 for a discussion of MBHA's policies with regard to screening applicant families for program eligibility [**24 CFR 982.307(a)(1)**].

The owner is responsible for screening and selection of the family to occupy the owner's unit. At or before MBHA approval of the tenancy, MBHA must inform the owner that screening and selection for tenancy is the responsibility of the owner [**24 CFR 982.307(a)(2)**]. The PHA must also inform the owner or manager of their responsibility to comply with VAWA. [**24 CFR 5.2007(3)(ii)**].

MBHA must provide the owner with the family's current and prior address (as shown in MBHA records); and the name and address (if known to MBHA) of the landlord at the family's current and prior address. [**24 CFR 982.307 (b)(1)**].

MBHA is permitted, but not required, to offer the owner other information in MBHA's possession about the tenancy history or drug trafficking of family members [**24 CFR 982.307(b)(2)**].

MBHA's policy on providing information to the owner must be included in the family's briefing packet [**24 CFR 982.307(b)(3)**].

MBHA may not disclose to the owner any confidential information provided by the family in response to a request for documentation of domestic violence, dating violence, sexual assault or stalking except at the written request or with the written consent of the individual providing the documentation [**24 CFR 5.2007(b)(4)**].

MBHA Policy

MBHA will not screen applicants for family behavior or suitability for tenancy.

MBHA will not provide additional screening information to the owner.

9-I.B. REQUESTING TENANCY APPROVAL [Form HUD-52517]

After the family is issued a voucher, the family must locate an eligible unit, with an owner or landlord willing to participate in the voucher program. Once a family finds a suitable unit and the owner is willing to lease the unit under the program, the owner and the family must request MBHA to approve the assisted tenancy in the selected unit.

The owner and the family must submit two documents to MBHA:

- Completed Request for Tenancy Approval (RFTA) – Form HUD-52517
- Copy of the proposed lease, including the HUD-prescribed Tenancy Addendum – Form HUD-52641-A

The RFTA contains important information about the rental unit selected by the family, including the unit address, number of bedrooms, structure type, year constructed, utilities included in the rent, and the requested beginning date of the lease, necessary for MBHA to determine whether to approve the assisted tenancy in this unit.

Owners must certify that the rent charged to the housing choice voucher tenant is not more than the rent charged for other unassisted comparable units.

Owners must certify that they are not the parent, child, grandparent, grandchild, sister or brother of any member of the family, unless MBHA has granted a request for reasonable accommodation for a person with disabilities who is a member of the tenant household.

For units constructed prior to 1978, owners must either 1) certify that the unit, common areas, and exterior have been found to be free of lead-based paint by a certified inspector; or 2) attach a lead-based paint disclosure statement.

MBHA Policy

Owners must certify that they are the legal or the legally designated agent for the above referenced unit, and that the prospective tenant has no ownership interest in this dwelling unit whatsoever.

Owners must certify that they understand that the family members listed on the dwelling lease agreement as approved by the Housing Authority are the only individuals permitted to reside in the unit. They also understand that Owners are not permitted to live in the unit while they are receiving housing assistance payments.

Owners must certify that they understand their obligation in compliance with the Housing Assistance payments Contract to perform necessary maintenance so the unit continues to comply with Housing Quality Standards.

Owners must certify that they understand that should the assisted unit become vacant, the owner is responsible to notify the housing Authority immediately in writing.

Owners must certify that they understand that they cannot charge or accept, from the family or from any other source, any payment for rent of the unit in addition to the tenant and housing authority portion as determined by MBHA. Owners must certify that they

understand that the tenant cannot pay any amount over the portion of rent as determined by MBHA.

Owners must certify that they understand that the lease must be in accordance with the requirements of the HUD Tenancy Addendum. Owners must certify that they understand they must notify MBHA of any changes in the amount of the rent to owner at least sixty days before any such change goes into effect.

Both the RFTA and the proposed lease must be submitted no later than the expiration date stated on the voucher. [**HCV GB p.8-15**].

MBHA Policy

The RFTA must be signed by both the family and the owner.

The owner may submit the RFTA on behalf of the family.

Completed RFTA (including the proposed dwelling lease) must be submitted as hard copies, in-person or by mail.

The family may not submit, and MBHA will not process, more than one (1) RFTA at a time.

When the family submits the RFTA MBHA will review the RFTA for completeness.

If the RFTA is incomplete (including lack of signature by family, owner, or both), or if the dwelling lease is not submitted with the RFTA, MBHA will notify the family and the owner of the deficiencies.

Missing information and/or missing documents will only be accepted as hard copies, in-person, or by mail.

When the family submits the RFTA and proposed lease, MBHA will also review the terms of the RFTA for consistency with the terms of the proposed lease.

If the terms of the RFTA are not consistent with the terms of the proposed lease, MBHA will notify the family and the owner of the discrepancies.

Corrections to the terms of the RFTA and/or the proposed lease will only be accepted as hard copies, in-person, by mail or by fax. Any changes negotiated by phone must be followed up by corrected copies of the RFTA and proposed lease.

Because of the time sensitive nature of the tenancy approval process, MBHA will attempt to communicate with the owner and family by phone, fax, or email. MBHA will use mail when the parties cannot be reached by phone, fax, or email.

9-I.C. OWNER PARTICIPATION

MBHA does not formally approve an owner to participate in the HCV program. However, there are a number of criteria where MBHA may deny approval of an assisted tenancy based on past owner behavior, conflict of interest, or other owner-related issues. There are also criteria for which MBHA must disapprove an owner. No owner has a right to participate in the HCV program [**24 CFR 982.306(e)**]

See Chapter 13 for a full discussion of owner qualification to participate in the HCV program.

9-I.D. ELIGIBLE UNITS

There are a number of criteria that a dwelling unit must meet in order to be eligible for assistance under the voucher program. Generally, a voucher-holder family may choose any available rental dwelling unit on the market in MBHA's jurisdiction. This includes the dwelling unit they are currently occupying.

Ineligible Units [24 CFR 982.352(a)]

MBHA may not assist a unit under the voucher program if the unit is a public housing or Indian housing unit; a unit receiving project-based assistance under section 8 of the 1937 Act (42 U.S.C. 1437f); nursing homes, board and care homes, or facilities providing continual psychiatric, medical, or nursing services; college or other school dormitories; units on the grounds of penal, reformatory, medical, mental, and similar public or private institutions; a unit occupied by its owner or by a person with any interest in the unit.

MBHA-Owned Units [24 CFR 982.352(b)]

Otherwise eligible units that are owned or substantially controlled by the PHA issuing the voucher may also be leased in the voucher program. In order for a MBHA-owned unit to be leased under the voucher program, the unit must not be ineligible housing and MBHA must inform the family, both orally and in writing, that the family has the right to select any eligible unit available for lease and that the family is free to select a MBHA-owned unit without any pressure or steering by MBHA.

MBHA Policy

MBHA does not have any eligible MBHA-owned units available for leasing under the voucher program.

Special Housing Types [24 CFR 982 Subpart M]

HUD regulations permit, but do not generally require, MBHA to permit families to use voucher assistance in a number of special housing types in accordance with the specific requirements applicable to those programs. These special housing types include single room occupancy (SRO) housing, congregate housing, group home, shared housing, manufactured home space (where the family owns the manufactured home and leases only the space), cooperative housing and homeownership option. See Chapter 15 for specific information and policies on any of these housing types that MBHA has chosen to allow.

The regulations do require MBHA to permit use of any special housing type if needed as a reasonable accommodation so that the program is readily accessible to and usable by persons with disabilities.

Duplicative Assistance [24 CFR 982.352(c)]

A family may not receive the benefit of HCV tenant-based assistance while receiving the benefit of any of the following forms of other housing subsidy, for the same unit or for a different unit:

- Public or Indian housing assistance;
- Other Section 8 assistance (including other tenant-based assistance);
- Assistance under former Section 23 of the United States Housing Act of 1937 (before amendment by the Housing and Community Development Act of 1974);
- Section 101 rent supplements;
- Section 236 rental assistance payments;
- Tenant-based assistance under the HOME Program;
- Rental assistance payments under Section 521 of the Housing Act of 1949 (a program of the Rural Development Administration);
- Any local or State rent subsidy;
- Section 202 supportive housing for the elderly;
- Section 811 supportive housing for persons with disabilities; (11) Section 202 projects for non-elderly persons with disabilities (Section 162 assistance); or
- Any other duplicative federal, State, or local housing subsidy, as determined by HUD. For this purpose, 'housing subsidy' does not include the housing component of a welfare payment, a social security payment received by the family, or a rent reduction because of a tax credit.

Housing Quality Standards (HQS) [24 CFR 982.305 and 24 CFR 982.401]

In order to be eligible, the dwelling unit must be in decent, safe and sanitary condition. This determination is made using HUD's Housing Quality Standards (HQS) and/or equivalent state or local standards approved by HUD. See Chapter 8 for a full discussion of the HQS standards, as well as the process for HQS inspection at initial lease-up.

Unit Size

In order to be eligible, the dwelling unit must be appropriate for the number of persons in the household. A family must be allowed to lease an otherwise acceptable dwelling unit with fewer bedrooms than the number of bedrooms stated on the voucher issued to the family, provided the unit meets the applicable HQS space requirements [24 CFR 982.402(d)]. The family must be allowed to lease an otherwise acceptable dwelling unit with more bedrooms than the number of bedrooms stated on the voucher issued to the family. See Chapter 5 for a full discussion of subsidy standards.

Rent Reasonableness [24 CFR 982.305 and 24 CFR 982.507]

In order to be eligible, the dwelling unit must have a reasonable rent. The rent must be reasonable in relation to comparable unassisted units in the area and must not be in excess of rents charged by the owner for comparable, unassisted units on the premises. See Chapter 8 for a full discussion of rent reasonableness and the rent reasonableness determination process.

Rent Burden [24 CFR 982.508]

Where a family is initially leasing a unit and the gross rent of the unit exceeds the applicable payment standard for the family, the family share cannot exceed 40 percent of the family's adjusted monthly income. The term "family share" refers to the amount the family pays toward rent and utilities. The gross rent for the unit minus the total housing assistance payment (HAP) for the unit equals the family share. See Chapter 6 for a discussion of calculation of gross rent, the use of payment standards, and calculation of family income, family share of rent and HAP.

9-I.E. LEASE AND TENANCY ADDENDUM

The family and the owner must execute a written dwelling lease agreement for the assisted unit. This written lease is a contract between the tenant family and the owner; MBHA is not a party to this contract.

The tenant must have legal capacity to enter a lease under State and local law. 'Legal capacity' means that the tenant is bound by the terms of the lease and may enforce the terms of the lease against the owner [24 CFR 982.308(a)]

Lease Form and Tenancy Addendum [24 CFR 982.308]

If the owner uses a standard lease form for rental to unassisted tenants in the locality or the premises, the lease must be in such standard form. If the owner does not use a standard lease form for rental to unassisted tenants, the owner may use another form of lease. The HAP contract prescribed by HUD contains the owner's certification that if the owner uses a standard lease form for rental to unassisted tenants, the lease for the assisted tenants is in such standard form.

All provisions in the HUD-required Tenancy Addendum must be added word-for-word to the owner's standard lease form. The Tenancy Addendum includes the HUD requirements for the tenancy. Because it is a part of the lease, the tenant shall have the right to enforce the Tenancy Addendum against the owner. If there is a conflict between the owner's lease and the Tenancy Addendum, the terms of the Tenancy Addendum shall prevail over any other provisions of the lease.

MBHA Policy

MBHA may provide a model or standard dwelling lease for owners to use in the HCV program upon request.

Lease Information [24 CFR 982.308(d)]

The assisted dwelling lease must contain all of the required information as listed below:

- The names of the owner and the tenant:
- The unit rented (address, apartment number, and any other information needed to identify the contract unit)
- The term of the lease (initial term and any provisions for renewal) matches term of HAP contract
- The amount of the monthly rent to owner
- A specification of what utilities and appliances are to be supplied by the owner, and what utilities and appliances are to be supplied by the family

MBHA Policy

- Security deposit noted (if applicable)
- Where rent is to be paid
- Rent amount corresponds with HAP contract
- Termination policy

- Renewal policy
- Notice of Rent increase, lease gives 30 days (HAP contract requires 60 days)
- Executed by landlord (licensed or owner) and tenant
- Lead-based paint disclosure
- Pet deposit, refund policy (if applicable)
- VAWA addendum

Term of Assisted Tenancy

The initial term of the assisted dwelling lease must be for at least one year [24 CFR 982.309]. The initial lease term is also stated in the HAP contract.

The HUD program regulations permit MBHA to approve a shorter initial lease term if certain conditions are met.

MBHA Policy

MBHA will not approve an initial lease term of less than one (1) year.

During the initial term of the lease, the owner may not raise the rent to owner [24 CFR 982.309].

Any provisions for renewal of the dwelling lease will be stated in the dwelling lease [HCV Guidebook, pg. 8-22]. There are no HUD requirements regarding any renewal extension terms, except that they must be stated in the dwelling lease if they exist.

MBHA may execute the HAP contract even if there is less than one year remaining from the beginning of the initial lease term to the end of the last expiring funding increment under the consolidated ACC. [24 CFR 982.309(b)].

Security Deposit [24 CFR 982.313 (a) and (b)]

The owner may collect a security deposit from the tenant. MBHA may prohibit security deposits in excess of private market practice, or in excess of amounts charged by the owner to unassisted tenants. However, if MBHA chooses to do so, language to this effect must be added to Part A of the HAP contract [Form HUD-52641].

Separate Non-Lease Agreements between Owner and Tenant

Owners may not demand or accept any rent payment from the family in excess of the rent to the owner as approved by MBHA minus MBHA's housing assistance payments to the owner [24 CFR 982.451(b)(4)].

The owner may not charge the tenant extra amounts for items customarily included in rent in the locality, or provided at no additional cost to unsubsidized tenants in the premises [24 CFR 982.510(c)].

MBHA Policy

MBHA permits owners and families to execute separate, non-lease agreements for services, appliances (other than range and refrigerator) and other items that are not included in the lease.

Any items, appliances, or other services that are customarily provided to unassisted families as part of the dwelling lease with those families, or are permanently installed in the dwelling unit must be included in the dwelling lease for the assisted family. These items, appliances or services cannot be placed under a separate non-lease agreement between the owner and family. Side payments for additional rent, or for items, appliances or services customarily provided to unassisted families as part of the dwelling lease for those families, are prohibited.

Any items, appliances, or other services that are not customarily provided to unassisted families as part of the dwelling lease with those families, are not permanently installed in the dwelling unit and where the family has the sole option of not utilizing the item, appliance or service, may be included in a separate non-lease agreement between the owner and the family.

The family is not liable and cannot be held responsible under the terms of the assisted dwelling lease for any charges pursuant to a separate non-lease agreement between the owner and the family. Non-payment of any charges pursuant to a separate non-lease agreement between the owner and the family cannot be a cause for eviction or termination of tenancy under the terms of the assisted dwelling lease.

Separate non-lease agreements that involve additional items, appliances or other services may be considered amenities offered by the owner and may be taken into consideration when determining the reasonableness of the rent for the property.

MBHA Review of Lease

MBHA will review the dwelling lease for compliance with all applicable requirements.

MBHA Policy

If the dwelling lease is incomplete or incorrect, MBHA will notify the family and the owner of the deficiencies. Missing and corrected lease information will only be accepted as hard copies, in-person, by mail, or by fax. MBHA will not accept missing and corrected information over the phone

Because the initial leasing process is time-sensitive, MBHA will attempt to communicate with the owner and family by phone, fax, or email. MBHA will use mail when the parties can't be reached by phone, fax, or email.

MBHA is permitted, but is not required, to review the lease to determine if the lease complies with State and local law and is permitted to decline to approve the tenancy if MBHA determines that the lease does not comply with State or local law [**24 CFR 982.308(c)**]

9-I.F. TENANCY APPROVAL [24 CFR 982.305]

After receiving the family's Request for Tenancy Approval, with proposed dwelling lease, MBHA must promptly notify the family and owner whether the assisted tenancy is approved.

Prior to approving the assisted tenancy and execution of a HAP contract, MBHA must ensure that all required actions and determinations; discussed in Part I of this chapter have been completed.

These actions include ensuring that the unit is eligible; the unit has been inspected by MBHA and meets the Housing Quality Standards (HQS); the lease offered by the owner is approvable and includes the required Tenancy Addendum; the rent to be charged by the owner for the unit must be reasonable; where the family is initially leasing a unit and the gross rent of the unit exceeds the applicable payment standard for the family, the share of rent to be paid by the family does not exceed 40 percent of the family's monthly adjusted income [24 CFR 982.305(a)]; the owner is an eligible owner, not disapproved by MBHA, with no conflicts of interest [24 CFR 982.306]; the family and the owner have executed the lease, including the Tenancy Addendum, and the lead-based paint disclosure information [24 CFR 982.305(b)].

MBHA Policy

MBHA will complete its determination within 14 calendar days of receiving all required information.

If MBHA determines that the tenancy can be approved, the tenant must take occupancy of the unit within 30 days of the date of determination.

If the terms of the RFTA/proposed lease are changed for any reason, including but not limited to negotiation with MBHA, MBHA will obtain corrected copies of the RFTA and proposed lease, signed by the family and the owner.

Corrections to the RFTA/proposed lease will only be accepted as hard copies, in-person, by mail, or by fax. MBHA will not accept corrections over the phone.

If MBHA determines that the tenancy cannot be approved for any reason, the owner and the family will be notified and given the opportunity to address any reasons for disapproval. MBHA will instruct the owner and family of the steps that are necessary to obtain approval of the tenancy.

Where the tenancy is not approvable because the unit is not approvable, the family must continue to search for eligible housing within the timeframe of the issued voucher.

If the tenancy is not approvable due to rent affordability or rent reasonableness, MBHA will attempt to negotiate the rent with the owner. If a new, approvable rent is negotiated, the tenancy will be approved. If the owner is not willing to negotiate an approvable rent, the family must continue to search for eligible housing within the timeframe of the issued voucher.

9-I.G. HAP CONTRACT EXECUTION [24 CFR 982.305]

The HAP contract is a written agreement between MBHA and the owner of the dwelling unit. Under the HAP contract, MBHA agrees to make housing assistance payments to the owner on behalf of the family, and the owner agrees to comply with all program requirements as stated in the HAP contract.

The HAP contract format is prescribed by HUD.

If MBHA has given approval for the family of the assisted tenancy, the owner and MBHA must execute the HAP contract.

The term of the HAP contract must be the same as the term of the lease [24 CFR 982.451(a)(2)].

MBHA is permitted to execute a HAP contract even if the funding currently available does not extend for the full term of the HAP contract.

MBHA must make a best effort to ensure that the HAP contract is executed before the beginning of the lease term. Regardless, the HAP contract must be executed no later than 60 calendar days from the beginning of the lease term.

MBHA may not pay any housing assistance payment to the owner until the HAP contract has been executed. If the HAP contract is executed during the period of 60 calendar days from the beginning of the lease term, MBHA will pay housing assistance payments after execution of the HAP contract (in accordance with the terms of the HAP contract), to cover the portion of the lease term before execution of the HAP contract (a maximum of 60 days).

Any HAP contract executed after the 60-day period is void, and MBHA may not pay any housing assistance payment to the owner.

MBHA Policy

Owners who have not previously participated in the HCV program will receive an information packet, which explains the terms of the program. Time permitting the new owner may receive a verbal owner briefing.

The owner and the assisted family will execute the dwelling lease and a copy must be provided to MBHA.

The owner and MBHA will execute the HAP contract. MBHA will not execute the HAP contract until the owner has submitted IRS form W-9. MBHA will ensure that the owner receives a copy of the executed HAP contract.

As required under VAWA 2013, once the HAP contract and lease have been executed and the family has been admitted to the program, MBHA will notify families of their rights under VAWA by providing all families with a copy of the domestic violence certification form (HUD-5382) as well as the VAWA notice of occupancy rights (form HUD-5380).

See Chapter 13 for a discussion of the HAP contract and contract provisions.

9-I.H. CHANGES IN LEASE OR RENT [24 CFR 982.308]

If the tenant and the owner agree to any changes in the lease, such changes must be in writing, and the owner must immediately give MBHA a copy of such changes. The lease, including any changes, must remain in accordance with the requirements of this chapter.

Generally, MBHA approval of tenancy and execution of a new HAP contract are not required for changes in the lease. However, under certain circumstances the execution of a new lease and HAP contract are required. These circumstances include:

- Changes in lease requirements governing tenant or owner responsibilities for utilities or appliances
- Changes in lease provisions governing the term of the lease
- The family moves to a new unit, even if the unit is in the same building or complex

In these cases, if the HCV assistance is to continue, the family must submit a new Request for Tenancy Approval (RFTA) along with a new dwelling lease containing the proposed changes. A new tenancy must then be approved in accordance with this chapter.

Where the owner is changing the amount of rent, the owner must notify MBHA of any changes in the amount of the rent to owner at least 60 days before any such changes go into effect [**24 CFR 982.308(g)(4)**]. MBHA will agree to such an increase only if the amount of the rent to owner is considered reasonable according to the rent reasonableness standards discussed in Chapter 8. If the requested rent is not found to be reasonable, the owner must either reduce the requested rent increase, or terminate the tenancy in accordance with the terms of the lease.

No rent increase is permitted during the initial term of the lease [**24 CFR 982.309(a)(3)**].

MBHA Policy

Where the owner is requesting a rent increase, MBHA will determine whether the requested increase is reasonable within 14 calendar days of receiving the request from the owner. The owner will be notified of the determination in writing.

Rent increases will go into effect on the first of the month following the 60 day period after the owner notifies MBHA of the rent change or on the date specified by the owner, whichever is later.

MBHA will consider for approval rent increases once per 12 month period.
