

## Chapter 14

### PROGRAM INTEGRITY

#### INTRODUCTION

The Housing Authority of Myrtle Beach (MBHA) is committed to ensuring that subsidy funds made available to MBHA are spent in accordance with HUD requirements.

This chapter covers HUD and MBHA policies designed to prevent, detect, investigate and resolve instances of program abuse or fraud. It also describes the actions that will be taken in the case of unintentional errors and omissions.

Part I: Preventing, Detecting, and Investigating Errors and Program Abuse. This part presents MBHA policies related to preventing, detecting, and investigating errors and program abuse.

Part II: Corrective Measures and Penalties. This part describes the corrective measures MBHA must and may take when errors or program abuses are found.

## **PART I: PREVENTING, DETECTING, AND INVESTIGATING ERRORS AND PROGRAM ABUSE**

### **14-I.A. PREVENTING ERRORS AND PROGRAM ABUSE**

HUD created the Enterprise Income Verification (EIV) system to provide PHAs with a powerful tool for preventing errors and detecting program abuse. MBHA is required to use the EIV system in its entirety in accordance with HUD administrative guidance [**24 CFR 5.233**]. MBHA is further required to:

- Provide applicants and participants with form **HUD-52675**, “Debts Owed to PHAs and Terminations”
- Require all adult members of an applicant or participant family to acknowledge receipt of form **HUD-52675** by signing a copy of the form for retention in the family file

#### MBHA Policy

To ensure that MBHA’s HCV program is administered according to the highest ethical and legal standards, MBHA will employ a variety of techniques to ensure that both errors and intentional program abuse are rare.

MBHA will discuss program compliance and integrity issues during the voucher briefing sessions described in Chapter 5.

MBHA will provide each applicant and participant with a copy of “Is Fraud Worth It?” (**Form HUD-1141-OIG**), which explains the types of actions a family must avoid and the penalties for program abuse.

MBHA will provide each applicant and participant with a copy of “What You Should Know about EIV,” a guide to the Enterprise Income Verification (EIV) system published by HUD as an attachment to **Notice PIH 2010-19**. In addition, MBHA will require the head of each household to acknowledge receipt of the guide by signing a copy for retention in the family file.

MBHA will place a warning statement about the penalties for fraud (as described in the **False Statement Act, U.S.C. 1001 and 1010**) on key MBHA forms and form letters that request information from a family or owner.

MBHA staff will be required to review and explain the contents of all HUD- and MBHA-required forms prior to requesting family member signatures.

At every regular reexamination, MBHA staff will explain any changes in HUD regulations or MBHA policy that affect program participants.

MBHA may require first-time owners (or their agents) to participate in a briefing session on HAP contract requirements.

MBHA will provide owners with ongoing information about the program, with an emphasis on actions and situations to avoid.

MBHA will provide each MBHA employee with the necessary training on program rules and the organization’s standards of conduct and ethics.

For purposes of this chapter the term *error* refers to an unintentional error or omission. *Program abuse or fraud* refers to a single act or pattern of actions that constitute a false statement, omission, or concealment of a substantial fact, made with the intent to deceive or mislead.

#### **14-I.B. DETECTING ERRORS AND PROGRAM ABUSE**

In addition to taking steps to prevent errors and program abuse, MBHA will use a variety of activities to detect errors and program abuse.

##### **Quality Control and Analysis of Data**

Under the Section 8 Management Assessment Program (SEMAP), HUD requires MBHA to review a random sample of tenant records annually to determine if the records conform to program requirements and to conduct quality control inspections of a sample of units to ensure HQS compliance [24 CFR, Part 985]. (See Chapter 16 for additional information about SEMAP requirements).

##### MBHA Policy

In addition to the SEMAP quality control requirements, MBHA will employ a variety of methods to detect errors and program abuse.

MBHA routinely will use HUD and other non-HUD sources of up-front income verification. This includes The Work Number and any other private or public databases available to MBHA

At each annual reexamination, current information provided by the family will be compared to information provided at the last annual reexamination to identify inconsistencies and incomplete information.

MBHA will compare family-reported income and expenditures to detect possible unreported income.

##### **Independent Audits and HUD Monitoring**

**OMB Circular A-133** requires all PHAs that expend \$500,000 or more in federal awards annually to have an independent audit (IPA). In addition, HUD conducts periodic on-site and automated monitoring of MBHA activities and notifies MBHA of errors and potential cases of program abuse.

##### MBHA Policy

MBHA will use the results reported in any IPA or HUD monitoring reports to identify potential program abuses as well as to assess the effectiveness of MBHA's error detection and abuse prevention efforts.

##### **Individual Reporting of Possible Errors and Program Abuse**

##### MBHA Policy

MBHA will encourage staff, program participants, and the public to report possible program abuse.

## **14-I.C. INVESTIGATING ERRORS AND PROGRAM ABUSE**

### **When MBHA Will Investigate**

#### MBHA Policy

MBHA will review all referrals, specific allegations, complaints, and tips from any source including other agencies, companies, and individuals, to determine if they warrant investigation. In order for MBHA to investigate, the allegation must contain at least one independently-verifiable item of information, such as the name of an employer or the name of an unauthorized household member.

MBHA will investigate when inconsistent or contradictory information is detected through file reviews and the verification process.

### **Consent to Release of Information [24 CFR 982.516]**

MBHA may investigate possible instances of error or abuse using all available MBHA and public records. If necessary, MBHA will require HCV families to sign consent forms for the release of additional information.

### **Analysis and Findings**

#### MBHA Policy

MBHA will base its evaluation on a preponderance of the evidence collected during its investigation.

*Preponderance of the evidence* is defined as evidence which is of greater weight or more convincing than the evidence which is offered in opposition to it; that is, evidence that as a whole shows that the fact sought to be proved is more probable than not. Preponderance of evidence may not be determined by the number of witnesses, but by the greater weight of all evidence

For each investigation MBHA will determine (1) whether an error or program abuse has occurred, (2) whether any amount of money is owed MBHA, and (3) what corrective measures or penalties will be assessed.

## **Consideration of Remedies**

All errors and instances of program abuse must be corrected prospectively. Whether MBHA will enforce other corrective actions and penalties depends upon the nature of the error or program abuse.

### MBHA Policy

In the case of family-caused errors or program abuse, MBHA will take into consideration (1) the seriousness of the offense and the extent of participation or culpability of individual family members, (2) any special circumstances surrounding the case, (3) any mitigating circumstances related to the disability of a family member, (4) the effects of a particular remedy on family members who were not involved in the offense.

In the case of owner-caused errors or program abuse, MBHA will take into consideration (1) the seriousness of the offense, (2) the length of time since the violation has occurred, and (3) the effects of a particular remedy on family members who were not involved in the offense.

## **Notice and Appeals**

### MBHA Policy

MBHA will inform the relevant party in writing of its findings and remedies within 14 calendar days of the conclusion of the investigation. The notice will include (1) a description of the error or program abuse, (2) the basis on which MBHA determined the error or program abuses, (3) the remedies to be employed, and (4) the family's right to appeal the results through the informal review or hearing process, if applicable (see Chapter 16).

## **PART II: CORRECTIVE MEASURES AND PENALTIES**

### **14-II.A. SUBSIDY UNDER- OR OVERPAYMENTS**

A subsidy under- or overpayment includes (1) an incorrect housing assistance payment to the owner, (2) an incorrect family share established for the family, and (3) an incorrect utility reimbursement to a family.

#### **Corrections**

Whether the incorrect subsidy determination is an overpayment or underpayment of subsidy, MBHA must promptly correct the HAP, family share, and any utility reimbursement prospectively.

#### MBHA Policy

Increases in the family share will be implemented on the first of the month following a written 30-day notice

Any decreases in family share will become effective the first of the month following the discovery of the error.

#### **Reimbursement**

Whether the family or owner is required to reimburse MBHA or MBHA is required to make retroactive subsidy payments to the owner or family depends upon which party is responsible for the incorrect subsidy payment and whether the action taken was an error or program abuse. Policies regarding reimbursement are discussed in the three sections that follow.

## **14-II.B. FAMILY-CAUSED ERRORS AND PROGRAM ABUSE**

Family obligations and general administrative requirements for participating in the program are discussed throughout this plan. This section deals specifically with errors and program abuse by family members.

An incorrect subsidy determination caused by a family generally would be the result of incorrect reporting of family composition, income, assets, or expenses, but also would include instances in which the family knowingly allows MBHA to use incorrect information provided by a third party.

### **Family Reimbursement to MBHA [HCV GB pp. 22-12 to 22-13]**

#### MBHA Policy

In the case of family-caused errors or program abuse, the family will be required to repay any excess subsidy received. MBHA may, but is not required to, offer the family a repayment agreement in accordance with Chapter 16. If the family fails to repay the excess subsidy, MBHA will terminate the family's assistance in accordance with the policies in Chapter 12.

### **MBHA Reimbursement to Family [HCV GB p. 22-12]**

#### MBHA Policy

MBHA will not reimburse the family for any underpayment of assistance when the underpayment clearly is caused by the family.

## **Prohibited Actions**

An applicant or participant in the HCV program must not knowingly:

- Make a false statement to MBHA [**Title 18 U.S.C. Section 1001**].
- Commit fraud, bribery, or any other corrupt or criminal act in connection with any federal housing program [**24 CFR 982.552(c)(iv)**].
- Fraud is defined as: single act or pattern of actions that include false statements, the omission of information, or the concealment of a substantive or act made with the intention of deceiving or misleading MBHA.

### MBHA Policy

Any of the following will be considered evidence of family program abuse:

Payment to the owner in excess of amounts authorized by MBHA for rent, security deposit, and additional services

Offering bribes or illegal gratuities to MBHA Board of Commissioners, employees, contractors, or other MBHA representatives

Offering payments or other incentives to the owner or a third party as an inducement for the third party to make false or misleading statements to MBHA on the family's behalf

Use of a false name or the use of falsified, forged, or altered documents

Intentional misreporting of family information or circumstances (e.g. income, family composition)

Omitted facts that were obviously known by a family member (e.g., not reporting employment income)

Admission of program abuse by an adult family member

MBHA may determine other actions to be program abuse based upon a preponderance of the evidence, as defined earlier in this chapter.

## **Penalties for Program Abuse**

In the case of program abuse caused by a family MBHA may, at its discretion, impose any of the following remedies.

- MBHA may require the family to repay excess subsidy amounts paid by MBHA, as described earlier in this section.
- MBHA may require, as a condition of receiving or continuing assistance, that a culpable family member not reside in the unit. See policies in Chapter 3 (for applicants) and Chapter 12 (for participants).
- MBHA may deny or terminate the family's assistance following the policies set forth in Chapter 3 and Chapter 12 respectively.
- MBHA may refer the family for state or federal criminal prosecution as described in section 14-II.E.

## **14-II.C. OWNER-CAUSED ERROR OR PROGRAM ABUSE**

Owner requirements that are part of the regular process of offering, leasing, and maintaining a unit (e.g., HQS compliance, fair housing) are addressed in the appropriate chapters of this plan. This section focuses on errors and program abuse by owners.

An incorrect subsidy determination caused by an owner generally would be the result of an incorrect owner statement about the characteristics of the assisted unit (e.g., the number of bedrooms, which utilities are paid by the family). It also includes accepting duplicate housing assistance payments for the same unit in the same month, or after a family no longer resides in the unit.

### **Owner Reimbursement to MBHA**

In all cases of overpayment of subsidy caused by the owner, the owner must repay to MBHA any excess subsidy received. MBHA may recover overpaid amounts by withholding housing assistance payments due for subsequent months, or if the debt is large, MBHA may allow the owner to pay in installments over a period of time [**HCV GB p. 22-13**].

#### MBHA Policy

In cases where the owner has received excess subsidy, MBHA will require the owner to repay the amount owed in accordance with the policies in Section 16-IV.B.

### **Prohibited Owner Actions**

An owner participating in the HCV program must not:

- Make any false statement to MBHA [**Title 18 U.S.C. Section 1001**].
- Commit fraud, bribery, or any other corrupt or criminal act in connection with any federal housing program [**24 CFR 982.453(a)(3)**] including:

#### MBHA Policy

Any of the following will be considered evidence of owner program abuse:

Charging the family rent above or below the amount specified by MBHA

Charging a security deposit other than that specified in the family's lease

Charging the family for services that are provided to unassisted tenants at no extra charge

Knowingly accepting housing assistance payments for any month(s) after the family has vacated the unit

Knowingly accepting incorrect or excess housing assistance payments

Offering bribes or illegal gratuities to MBHA Board of Commissioners, employees, contractors, or other MBHA representatives

Offering payments or other incentives to an HCV family as an inducement for the family to make false or misleading statements to MBHA

Residing in the unit with an assisted family

## **Remedies and Penalties**

When MBHA determines that the owner has committed program abuse, MBHA may take any of the following actions:

- Require the owner to repay excess housing assistance payments, as discussed earlier in this section and in accordance with the policies in Chapter 16.
- Terminate the HAP contract (See Chapter 13).
- Bar the owner from future participation in any MBHA programs.
- Refer the case to state or federal officials for criminal prosecution as described in section 14-II.E.

## **14-II.D. MBHA-CAUSED ERRORS OR PROGRAM ABUSE**

The responsibilities and expectations of MBHA staff with respect to normal program administration are discussed throughout this plan. This section specifically addresses actions of a MBHA staff member that are considered errors or program abuse related to the HCV program. Additional standards of conduct may be provided in MBHA personnel policy.

MBHA-caused incorrect subsidy determinations include (1) failing to correctly apply HCV rules regarding family composition, income, assets, and expenses, (2) assigning the incorrect voucher size to a family, and (3) errors in calculation.

### **Repayment to MBHA**

Neither a family nor an owner is required to repay an overpayment of subsidy if the error or program abuse is caused by MBHA staff [**HCV GB. 22-12**].

### **MBHA Reimbursement to Family or Owner**

MBHA must reimburse a family for any underpayment of subsidy, regardless of whether the underpayment was the result of staff-caused error or staff or owner program abuse. Funds for this reimbursement must come from MBHA's administrative fee reserves [**HCV GB p. 22-12**].

### **Prohibited Activities**

#### MBHA Policy

Any of the following will be considered evidence of program abuse by MBHA staff:

Failing to comply with any HCV program requirements for personal gain

Failing to comply with any HCV program requirements as a result of a conflict of interest relationship with any applicant, participant, or owner

Seeking or accepting anything of material value from applicants, participating families, vendors, owners, contractors, or other persons who provide services or materials to MBHA

Disclosing confidential or proprietary information to outside parties

Gaining profit as a result of insider knowledge of MBHA activities, policies, or practices

Misappropriating or misusing HCV funds

Destroying, concealing, removing, or inappropriately using any records related to the HCV program

Committing any other corrupt or criminal act in connection with any federal housing program

## **14-II.E. CRIMINAL PROSECUTION**

### MBHA Policy

When MBHA determines that program abuse by an owner, family, or MBHA staff member has occurred and the amount of overpaid subsidy meets or exceeds the threshold for prosecution under local or state law, MBHA will refer the matter to the appropriate entity for prosecution. When the amount of overpaid assistance meets or exceeds the federal threshold, the case will also be referred to the HUD Office of Inspector General (OIG).

Other criminal violations related to the HCV program will be referred to the appropriate local, state, or federal entity.

#### **14-II.F. FRAUD AND PROGRAM ABUSE RECOVERIES**

MBHA may retain a portion of program fraud losses that MBHA recovers from a family or owner through litigation, court order, or a repayment agreement [**24 CFR 982.163**].

MBHA must be the principal party initiating or sustaining the action to recover amounts due from tenants that are due as a result of fraud and abuse. **24 CFR 792.202** permits MBHA to retain the greater of:

- 50 percent of the amount it actually collects from a judgment, litigation (including settlement of a lawsuit) or an administrative repayment agreement, or
- Reasonable and necessary costs that MBHA incurs related to the collection including costs of investigation, legal fees, and agency collection fees.

The family must be afforded the opportunity for an informal hearing in accordance with requirements in **24 CFR 982.555**.

If HUD incurs costs on behalf of MBHA related to the collection, these costs must be deducted from the amount retained by MBHA.
